Morning Academics Only - **\$900 per child**

Mentor

Brighton - Mrs. Leigh Ann Borelli (Since Fall 2024) *Little People Whisperer*

Greece - TBA

Batavia - TBA

Overview

A deep, personal connection with a mentor is a priceless gift for any child. At ASA, we believe the guidance of dedicated teachers is a cornerstone of traditional education that homeschooling families can embrace to enrich their child's growth. Our Macaroni Class (ages 6 months to 3 years) welcomes our youngest learners into a warm, nurturing academic setting designed to spark curiosity, encourage sensory exploration, and build foundational social skills. Beyond engaging lessons on numbers, letters, colors, and syllables, your child will delight in a vibrant morning filled with play, music, movement, obstacle courses, tumbling, classic stories, and enriching arts and crafts—all in just three hours, three days a week. With a consistent, rhythmic schedule, your little one will thrive in a thoughtfully crafted routine at ASA, brimming with exceptional educational activities and high-quality creative projects. Our co-op is purposefully designed for homeschooling families, striking a perfect balance between learning and living, and instilling a lifelong passion for discovery.

Safety

At ASA, your child's safety is our unwavering priority, giving parents peace of mind. We conduct thorough background checks for all volunteers and employ highly trained, professional armed security personnel to monitor our premises around the clock. Our buildings are equipped with camera coverage, both indoors and outdoors, and we partner with fully insured, top-tier security companies to ensure the highest standards of protection. Each family receives a unique access code to enter our secure, locked building, and parents are welcome to check on their child at any time, fostering confidence and trust in our commitment to safety.

Curriculum Subjects and Resources

- **Numbers:** Counting, number recognition using number cards and puzzles, songs and games.
- **Letters:** Alphabet introduction, letter sounds using ABC cards, puzzles, songs and games.
- **Colors:** Color identification, sorting with sensory bins and flashcards, poems and more.
- **Literacy:** Story time, rhyming, basic phonics through picture books, songs and syllables games.
- **Math:** Shapes, patterns, basic counting using a myriad of materials and manipulatives.
- **Art:** Creative expression through drawing, painting, and crafts.
- **Science & Technology:** Sensory-based exploration and hands-on science experiments.
- **Music & Movement:** Songs, parachute play, rhythm, tempo and coordination.
- **History:** Community helpers, family roles through stories and role-play, and American symbols.
- **Geography:** Classroom and community maps, spatial awareness and landmarks.
- **Financial Literacy:** Coin identification and basic exchange concepts through dramatic play.
- **Self-Governance:** Behavior books, sharing and listening exercises, practice with basic manners.
- **Physical Education:** Gross motor activities and songs, parachute play, obstacles, gym games and more.

Learning Objectives

- Develop fine and gross motor skills through sensory and movement activities.
- Recognize numbers 1–20, basic letters, colors, animals and shapes.
- Build social skills like sharing and listening during circle time.
- Foster curiosity and creativity through hands-on science and crafts.
- Understand basic community roles and civic responsibilities.

Methods of Instructing

- **Interactive:** Songs, rhymes, and group activities like parachute play.
- **Project-Based:** Creating holiday gifts, art projects and simple experiments.
- **Discussion-Based:** Circle time stories and manners discussions.

Sample Activities

- **Counting Game:** Count how many apples you can find hidden around the room.
- **Story Time:** Read *The Opposite Zoo*, discuss opposites and lift flaps.
- **Color Sorting:** Match circle stickers to matching color dot.
- **Art Project:** Create polar bear handprints with white paint on cardstock.
- **Music & Movement:** Dance with scarves to Laurie Berkner songs.

ASA Mission Alignment

The Macaroni class cultivates early civic virtue by helping foster positive interaction, demonstrating and practicing kindness and manners to prepare children for a life of freedom and intellectual growth. Your family will thrive in a community-driven setting with a focus on safety, family, comradery and academic excellence. We empower parents to choose a holistic education that nurtures their child's potential.

FAQs

Q: Do I need to buy any supplies? A: We ask that each family donate a ream of printer paper at the start of each session. All other supplies are provided. There are only supply fees for afternoon extracurriculars.

Q: What do I send my Macaroni to school with? A: Snack, lunch and water bottle, preferred diapers and wipes as well as a change of clothes.

Q: Is there a dress code? A: Yes. There is a basic dress code that includes khaki or navy pants, shorts or skirts and any color polo.

Q: Are all IHIP requirements met with your program alone? A: Yes but the IHIP starts at 6 years and up.

Q: Is there any religious content taught? A: We are not a faith based co-op, however, our lessons in the older classes explore the role of the Creator as reflected in America's founding documents for example. The Pledge of allegiance is recited each morning with the entire co-op which parents may attend.

Letter from the Founders

Dear Fellow Parent,

Choosing to homeschool our own children gave us more time to spend together and an opportunity to shape their education according to our standards. We found the perfect academic components in the Classical model of education, which we believe offers the surest, time-tested and most complete schooling when paired with in-home learning. American Seekers Academy is a reflection of family-centric principles and our admiration of Hillsdale Academy and their Barney Initiative. With this example in mind, ASA was designed by homeschool parents like yourselves, people who appreciate certain aspects of traditional schooling and also deeply value the opportunity to be at home with their children. We wanted to meet more parents who are proudly raising their children according to their beliefs and whose hope is the same as ours, to protect the liberties of our children. Ultimately, we needed more than the average co-op could provide. We found out that we weren't the only ones.

Thank you for the chance to raise our family alongside yours.

-The Browns (homeschooling since 2020)

A growing ability to use language with power and grace is one of the surest marks of educated men and women and one of the surest safeguards against the loss of liberty.
